Mayor Post: I want a motion to accept the committees as presented:

Councilwoman Betts makes a motion to accept and Councilwoman Melson seconds the motion. We have a motion and a second and all in favor say Aye, “Aye”, motion carried.

Asking question by Marion Jones: I wanted to ask before you voted, is William Post a relative of yours (Mayor Post), “yes, he is my brother”. He also has extensive knowledge of historic preservation. He was voted as an alternate and not questioned as Frey was. Mayor Post: We will go on record that we will get an answer from Tim Willard. I want to see it in the charter or in some type of written form that they cannot participate because of being relatives.

Councilwoman Betts makes a motion to move to executive session, Councilman Harris seconds the motion.

Mayor Post: I have to have an executive session. Stephanie Coulbourne: “For anybody that is a chair or a member of a committee, please make sure that I have your agenda at the town hall to post and copies of your minutes so that I can keep them here at the town hall”. Member in attendance: When will these go on line? How soon after the meeting? Stephanie Coulbourne: I can update the list in the morning and have it printed out and posted to the web site as well tomorrow.

Respectfully submitted,

Stephanie Coulbourne
